COMMUNITY MINISTRY

CHOICES PREGNANCY CENTER

- Pray that their presence in the community would be a help to mothers in need, and that their counsel would continue to save unborn lives and lead people to know and accept the gospel of Christ.

INSTITUTIONS

GENEVA COLLEGE

- Pray that God would bless the work of the Geneva College faculty and staff as they strive to educate and equip students for faithful and fruitful service to God and neighbor.
- Pray that the students would grow both academically and spiritually.

MISSIONS

South Asia

- Please pray for God to raise up godly young men to serve as future leaders—teaching elders, ruling elders, and deacons.
- Pray for endurance and stamina. After seven years of hard labor and some discouragements, burn-out is a real threat for the leadership.
- Pray for the elders as they seek to diligently shepherd the flock—that God would bless them in discipling the saints in addition to providing them with godly counsel, guidance, and encouragement.
- Pray for the growth of the church, both quantitatively and qualitatively, as well as for unity within the body.
- Please pray for the Lord's direction and comfort, as several congregants have lost jobs and seek new employment.
