- Pray that their youth camps would create a space for children to encounter God's creation, embrace a loving community, and be transformed by the gospel of Jesus Christ.
- Pray that the Lord would grow the seeds of the Gospel in the hearts of the campers that were planted this summer and that He would provide faithful and godly mentors in their lives.

### MISSIONS

#### JAPAN

- Pray for the work of Kobe Theological Hall. Pray that the students would be learning to love the Word of God and its study. Pray also that some would consider future calls to serve the church as teaching and ruling elders.
- Pray for the Lord to continue to work in the hearts of those who have walked away from the church.
- Pray that they would have a bold and honest witness to their friends, family, and neighbors.
- All four churches have had several visitors the past few months. Please pray for their follow-up with these contacts and seek to point them to Jesus.
- Please pray for unity and joy in the Lord's strength during the next Presbytery meeting.
- Please continue to lift up the short-term mission team leads and hosts as they formulate plans for this summer, especially as they need more participants.
